In order to qualify for an exemption, you must submit three (3) sets of four (4) consecutive weekly disposal receipts from a County-owned landfill or transfer station along with the completed application and fees to the Solid Waste Management Division (SWMD). Fees include a \$15.00 processing fee and \$85.14 for a *San Bernardino County Disposal Use Permit*.

Property owners who submit an exemption application before June 30, 2011, will be effective on July 1, 2011, and property owners who submit applications after June 30, 2011, exemptions will be approved on the first date of the next billing cycle. For example, applications received between July 1, 2011 and September 30, 2011 will be effective October 1, 2011.

Weekly curbside collection of trash and recyclables is available through the local franchise hauler. To contact the hauler for your community, please refer to the attached list or contact SWMD at (909) 386-8701.

Owners that wish to be considered for a fee waiver can submit electricity bills for the most recent three-month period for the property to your local hauler. Once eligibility is confirmed, your local hauler will apply a credit to the account for that quarter of trash service, please contact your local hauler for more information (see page two).
